

Message Four—Study Questions

- 1. How is grace related to the Divine Trinity in God's New Testament economy? How is the principle of the Sabbath crucial to our basic understanding of grace in God's New Testament economy?**
- 2. What is the best way and the practical means for us to receive grace so that we can flow out grace to others?**
- 3. In order to carry out the stewardship of grace, the dispensing of grace, to others, what kind of living and experience do we need to have as stewards of God? What will be the end product of such a dispensing of the grace of God in His economy?**
