

Message One—Study Questions

- 1. Explain how the gospel of God concerning His Son as revealed in Romans fulfills God's eternal purpose as revealed in Ephesians and how this gospel is God's complete response to the evil plot and corrupting work of Satan, the enemy of God, and how it provides a way for Him to carry out His will, desire, and intention.**
- 2. What is the divine thought in the book of Romans regarding the gospel of God, and how is this thought related to the high peak of the divine revelation—to the highest truth and the highest gospel?**
- 3. Demonstrate in detail how the divine thought in the Epistle of Paul to the Romans concerning the gospel of God is centered on Christ as He is unveiled and presented in this Epistle and how the aspects of Christ revealed in this book are related to the focal point of Romans—the Body of Christ, which exists in the believers' organic union with Christ and which is expressed as local churches.**
